Sub : Latest position of membership and different facilities prevalent in different Banks.

Friends,

In the next meeting of the Managing Committee of AIBPARC proposed to be held at Ahmedabad on 17th March, 2013 we like to take a view in totality about the facilities prevalent in different Banks and the latest position of membership which we are having under the command of our affiliates.

In view of the above, kindly feed us with the following information/date at a very early date so that we can place a summarized view of the issues stated above.

1. We are having with us the declared membership of each affiliate as on 25th November, 2012 – the date of conference. The improvement after that date is to be made known to us by informing the latest membership with the break-up of officers and award staff.
2. The facilities in each Bank like latest position of pre-1986 Retirees, medical benefits/hospitalization schemes, festival advance, if any, loan facilities, Holiday homes etc. are to be made known to us.

This is an urgent task. Please respond within 7 days.

With warm greetings,
