And it gives us a sense of pride and satisfaction that even Family Pensioners with meagre amount of family pension joined in contributing their mite acknowledging the awoed objective and the noble cause for which the PM CARES FUND is founded.

The contributions by our members are purely Voluntary and with utmost Social Conscience as demonstrated by them even during their service in the Banks.. **This enabled us, ie AIBPARC to hand over the Highest amount**

Respected Sir, our members who are Senior Citizens, many in the late evening of their life even with their meagre Pension, consider this as their Sacred duty to respond to Your Call which is given by Your Good Self to combat the deadly Corona Pandemic.

We acknowledge with admiration that the handling of the Pandemic Crisis by the Central Government and State Governments under your Leadership has been quite commendable. The Initiatives taken have successfully contained the mortality at appreciably low rate.

While our juniors have been putting up a Brave Fight by extending unhindered Customer service in Bank Branches across the country as Covid Warriors through implementation of the Maximum Financial Packages announced by Your Government to revive the economy, we thought it our National Duty to supplement Your Great efforts in every possible way including Contributions to PM CARES FUND. We feel immensely redeemed and satisfied.

With Hearty Good Wishes and Our Collective Sincere Prayers For an Early Victory Over Covid 19.

**Yours Sincerely**
