**Shri M.V. Rao,
Chairman, IBA,
Mumbai.**

Respected Sir,

Sub: Very Happy New Year – 2025.

We convey our best wishes of the New Year to you and to all the Executives and team of officials and Staff of IBA through you. We wish a very Happy New year ahead for all of you.

* You will kindly agree that every New Year gives us an opportunity to start over, to set a new goal and to forge a new path forward. This is true for all of us. We shall not definitely burden IBA at the beginning of the New Year by placement of a list of unresolved issues to which we are accustomed throughout the year as our organization is committed to ensure betterment of the community of the Retirees of the industry.

* We sincerely believe that the New Year will be fruitful and productive for the senior and super senior citizens of the industry and all the issues for which they have been struggling be attended to. We also believe that the

principal reason behind the apparent impatience of the Retirees will be taken in the proper perspective since they do not have a longer span of time at their disposal.

* We also believe that IBA will have a sincere look to the issues on which we have been assiduously escalating. We have demanded implementation of existing Pension Regulations; we have requested for releasing those benefits which have been agreed upon in bilateral settlements and we have called for the attention of IBA to hear the grievances of the Retirees from the apex level organizations of the Retirees. We place our earnest request before you to ensure that IBA in the New Year becomes more sensitive and sympathetic to the issues of the Retirees.

We sincerely wish that year 2025 will be a Year of Resolutions of Issues, Fair Play, and deliverance of Justice to your Retired former colleagues.

With kind regards,

K.V. Acharya.
