Dear Comrade,

### Sub: Organizational Updates.

A. We have much pleasure to inform that our leaders, Veterans, Activists and Members have been doing excellent job in calling on various politically influential persons and Hon'ble Members of the Parliament in a consistent manner for last few days at different parts of the country and handed over to them the letter signed by the President and the General Secretary of the Association. We are grateful to all such personalities who have assured to take up the issues of Retirees with the Hon'ble Minister. Our Organisation is also maintaining close liaison with all concerned including IBA and Ministry to ensure quick flow of events in favour of the Retirees.

B. Our State Committees are gearing up their organizational machinery by holding regular meetings both Virtually and physically. At recent times, We had virtual meetings of Andhra & Telengana State Committee and Karnataka state Committee and physical meeting of West Bengal State Committee. We have noted with pleasure that Retirees under the banner of AIBPARC have taken part in different programmes of UFBU in protest against the threats of Privatization. We have already called upon our members by previous communication to take part in such programmes of UFBU in future days also.

With best wishes and regards,

Comradely Yours,

Suprita Sarkar  
General Secretary.
