Circular no: CBPRO- 18-2024

Date: December 31, 2024

For Circulation among the Constituents of CBPRO:

Dear Comrade,

Sub: We say goodbye to the year 2024 and welcome the New Year 2025.

Within a few hours from now, we shall be bidding farewell to the year 2024 and welcome the New Year 2025. We wish all our members and their families a very Happy New Year and we pray for the good health, peace of mind and prosperity of all our members and their families.

* The year 2024 has been really an eventful one witnessing many exciting events in the national and international arena. Members are aware of the same. For the senior and the super senior citizens, it is very difficult to keep pace with the fast-moving world but still we shall have to do so as "motion" is the other name of life.

* As regards the broader unity and solidarity of the Bank Pensioners and the Retirees of the industry under the banner of CBPRO, we have been striving relentlessly to achieve successful resolution of all the un-achieved demands. Regular meetings amongst ourselves at periodic intervals, streamlining the structure of the forum of the co-ordination, identification of the common issues to be taken up, making regular follow-ups with GOI/IBA, meeting the officials of the decision-making authorities and demonstrating our anger and anguish - these are the activities transacted by CBPRO with efficiency throughout the year.

*** CBPRO will further strive for unity of Bank Pensioners and Retirees Organisations and achieve the realization of the issues with logical conclusions and get full Justice.**

* The centralized Dharna at Jantar Mantar, Delhi on 23rd October, 2024 has been an epoch- making event in terms of huge participation of members. We shall try our level best to ensure that the benefits of the co-ordination can be reaped to the fullest possible extent. All the Constituents of CBPRO participated enthusiastically and energetically in the Dharna programmes held at State Capitals and also at the National Capital.

* We do hope that in the New Year 2025, there will be forward movement of the Pensioners to convert their much-desired dream of Pension Updation into reality. This is a pleasure to note the Retirees of the RRBs have come under the ambit of the Pension Regulations with retrospective effects and that the disparity of 40%-50%

COORDINATION OF BANK PENSIONERS' AND RETIREES ORGANISATIONS

(Federation of SBI Pensioners' Associations, AIBPARC, RBONC, AIRBEA and FORBE)

faced by SBI pensioners has been set right. We have high hope about the outcome of the pending case of pension updation at Supreme Court which may come up at the beginning of the New Year. Our struggle shall continue to see that the issue of "special allowance" is resolved bilaterally and the affected persons are not forced to exploit the time-consuming and highly expensive judicial process. Our fight will continue to ensure that all other pending demands can be resolved through official negotiation status to the retiree organizations for which we are striving hard.

*** We like to conclude with the following lines of Lord Tennyson:**

**"The year is going, let him go;
Ring out the false, ring in the true.**

With best wishes of the New Year,

Comradely yours,

Dipak Kumar Basu
