Circular No. 31/19

Date 24.05.2019

**(For circulation among members of the governing council of AIBPARC,
State Secretaries, Special Invitees and Advisors.)**

Dear Comrade,

LOK SABHA ELECTIONS, 2019

A Saffron wave taking the shape of a Tsunami swept the country from east to west and north to south. BJP-led NDA came to power with a massive majority in the Parliament. The opposition is in complete disarray. We are expecting that the popular government will be taking the charge of the country for next 5 years within a very few days. The verdict has been decisive and determinant leaving no scope for political uncertainty.

We congratulate profusely each and every elected member of the Parliament. We hail the massive verdict of the people which will pave the way for the formation of a popular government which is of the people, for the people and by the people. Different cross-sections of the people, cutting across the barriers of colour, creed and religion voted massively in favour of the ruling party at the centre.

When huge confidence is reposed on the shoulder of a leader or a party, the level of expectation of the people in different segments of the society touches a limit which is sky high and the government will have to make sincerest possible effort to be worthy of the expectation of the people. We have a high hope that government will not shut its eyes to the pathetic condition of the Bank Pensioners and Retirees who have spent several decades of their lives to the development of the nation.

Our demands and documented aspirations are already known to government and IBA and they are remaining unresolved for a long time. We believe that a strong political will can solve the problem within a few minutes. The new government at the centre, bubbling with confidence and goodwill, will surely be coming forward to sort out the most logical and reasonable demands of the retirees.

With best wishes,

(SUPRITA SARKAR)
GENERAL SECRETARY
