Dear Comrades,

With deep anguish, we convey that Com. Kalyan Kumar Sengupta, President of AICBROF and Deputy General Secretary of AIBPARC passed away in Mumbai at 5-15 a.m. of today. This is a great loss to the movements of the serving officers first and also then to the movement of Retirees.

Com. Sengupta has been a well known face in Bank Officers' movement for several decades. He held various capacities in AIBOC. His smiling face, genial temperament, dynamic attitude and dedication to the cause made him popular amongst all. In the formative years of Officers' consolidation, he along with his glorious predecessors fought bravely against odds and threats of transferability. He came out victoriously in the face of all odds. Just when AIBPARC came into existence, he along with proven comrades jumped into action and took leading role in organizing the retirees.

Com. Sengupta was associated with different types of social works. Standing by the side of poor students, he and his colleagues extended financial help on a year to year basis and he contributed substantially to other suffering section of humanity. He was actively associated with the publication of a Journal and he took it to a new height. "Kalyan Da" as we commonly call you – we shall keep you in the heart of our hearts for all times to come. We pledge before you that we shall carry on your unfulfilled tasks with utmost sincerity.

May his soul rest in peace. May KKS live long.

( SUPRITA SARKAR )  
JOINT GENERAL SECRETARY
