**CIRCULAR NO. 42-20**

**DATE- 12/06/2020**

**For Circulation among members of the Governing Council, State Secretaries,  
special invitees and advisors.**

Dear Comrades,

**Sub: Massive Response by our members to our appeal for contributions to PM  
CARES FUND.**

We issued circular on 29th March,20 appealing to all our members to come forward to stand by the side of the nation in moments of an unprecedented crisis caused by the deadly Corona virus by way of voluntary donation equivalent to one day's Pension for depositing the accumulated amount in PM CARES FUND. Your response has been Superb and Spontaneous enabling us to make a Demand Draft for Rs. 2 .12 Crores (Rs Two Crores and Twelve Lakhs only ) . Still some remittances are coming and we will further remit the same to PM CARES FUND after consolidating the same.

Comrades, We convey our profuse gratefulness to each individual member who remitted fund directly to AIBPARC's account. We are extremely thankful to our various Affiliates who took enormous pains to mobilize funds through different circles/zones and finally remit the money to parent body's account .We also we salute the efforts of Our State committees which took a pro active role in this regard.

We appreciate the difficulties encountered by our Comrades, quite a large number of them being very aged and not comfortable with Digital Banking had to struggle either to reach the Branches or take help from others to make remittances in view of strict Lockdown conditions for over Two Months.

In addition to the remittances to AIBPARC- PM CARES FUND many Comrades have directly remitted their Contributions to PM CARES FUND and their respective Chief Minister's Relief Fund and quite a few have contributed much more than their One Day Pension amount.

Comrades , You have displayed Your missionary zeal and Concern when it comes to the question of Social Concerns and Social Distress as You had shown when you were in Service making Social Banking a phenomenal success . You kept Your Grievances and Injustices inflicted on you aside and rose up to the occasion and voluntarily responded to the Call of the Nation. It is a matter of Great Satisfaction and Pride to All of us that us as an Apex Body of Bank Pensioners and Retirees Organisations, AIBPARC has succeeded in giving the Highest amount of Donations to PM CARES FUND among the Retirees Organisations though of course we are getting very meagre Pension as compared with Government and RBI Pensioners. We reassure our Comrades that the long pending Issues of Bank Pensioners and Retirees will be taken up by our Organisation along with other Retirees Organisations with added Vigour and Determination.

We have much pleasure to inform all concerned that we have remitted yesterday by Demand Draft favouring PM CARES FUND a sum of Rs.2.12 crore (Rs Two crore and 12 lakhs only) to our Comrades at Delhi who will be handing over the same at a convenient date. Funds are still coming and we are in the process of computation and conciliation. Members are assured that the residual amount will be sent within a month positively through the same process.

With best wishes.  
Comradely yours.
